Dear John

Re: Cornwall Air Ambulance Donation

Many thanks for the sum of £55.00 received as a donation to the Cornwall Air Ambulance from the Davidstow Model Flying Club, please pass on our thanks to all your members!

The air ambulance benefits the whole community in Cornwall and the Isles of Scilly, and has been flying since 1987 thanks to donations like yours. This very busy helicopter and its dedicated paramedic air crew attend around 1000 emergencies each year, and in some cases, the time saved can make a significant difference to the treatment options available to them, long term prognosis and patient outcomes. Many individuals and families write and thank us, and it is on their behalf that we are thanking you.

To find out more about the Cornwall Air Ambulance Trust, please visit our website www.cornwallairambulancetrust.org, where there is a lot more information about fundraising, events and the work of the air ambulance in Cornwall.

Once again, many thanks for supporting the Cornwall Air Ambulance, it is very much appreciated.

Yours sincerely

Susie Smith
