## Cornwall Sub-Area

6 Copes Gardens,  
Truro,  
Cornwall.  
15th September 2015

Minutes of Area Meeting  
Held 11/9/15, Clock & Key Inn, Trispen, Truro.

The meeting was opened by the secretary, acting chairman for the evening. Apologies for absence had been received from chairman Pete Lander, delegate Pete Disney and treasurer Mike Till. The minutes of the last meeting were read and approved as correct with no matters arising from them. During officers reports members were advised that our delegate would be attending Leicester for the council meeting next day and was keen to see progress on the proposed national centre discussion. Secretary confirmed that our own consultation document had been submitted following our debate at the previous meeting. Commenting on the summers poor weather, it was confirmed that the event at Truro had been defeated by wind and rain, and this had also ruined Redruth's event the following weekend. Our treasurer had issued copies of the audited accounts and these would be dispatched prior to the A.G.M.. Members were then asked to consider whether we should consider any form of winter activity in addition to the existing indoor flying programme and after extensive discussion it was felt that club's own current arrangements worked well. Discussion then turned to the increasing coverage to drones given by the press and its implications for mainstream modellers and a consensus was that the B.M.F.A. was handling our interests well. Chief Examiner confirmed that he was intending to visit an examiners testing event at some point prior to arranging this here, but continued poor weather had affected plans. Secretary then commented on a likely venue for our A.G.M which members agreed suitable, date and venue to be confirmed, Meeting closed 8.35pm.

Clubs present: Davidstow; R.C. Cornwall; St. Austell; Truro M.F.C.

Paul Greet,

Secretary.
