Minutes of Area Meeting Held 21/9/17, Falmouth Arms, Ladock, Truro.

The meeting was opened at 7.05pm. by the chairman, and apologies for absence were received from Mike Bundy and Nigel Argall. The minutes of the last meeting were read and the chairman expressed the view that his earlier comments on the use of technology had not been adequately recorded; there was a need for this to be pursued, particularly the Facebook page, and suitable copy provided for the B.M.F.A. News as had been agreed earlier. Continuing, he noted that continued poor weather had hampered much local activity, however a visit to an event in Kent had witnessed a well - attended event at Headcorn. Pete also noted that a recent Which report on drones had included much valuable advice to purchasers. The secretary confirmed that the arrangements for the local Swapmeet had been completed and this would take place on Saturday 11th November, notices were distributed to clubs and would go out to those not present. The treasurer confirmed our current bank balance and was awaiting any late claims from clubs for events they had held. Delegate Pete Disney confirmed he had attended the Council meeting on 9/9, where it observed that overall membership totals had fallen by 500; a large v.a.t. bill had had to be paid and it was confirmed that the senior members fee would rise by £1 next year. Work on the National Centre site had progressed and it was now busy with regular bookings. During A.O.B. the date for our A.G.M. was set for 7th December and members were reminded of the positions that would be due for election this year.
Meeting closed at 8.30pm.
